

# Talibah M. Bayles

Founder | Speaker | Author

Talibah M. Bayles is the driving force behind TMB Tax & Financial Services, a full-service tax, and revenue planning firm on a mission to help small businesses thrive with airtight financial strategies that enable and maintain growth.

Talibah graduated summa cum laude and holds a bachelor's degree from Fisk University and a master's degree from The George Washington Elliott School of International Affairs.

Talibah combined her hands-on experience and vast skill set to develop the TMB Small Business Financial Fix Toolbox™, an innovative system designed to empower clients to acquire legitimate business credit and financing to support their cash flow and working capital needs at every stage of business growth.
